

Welcome to USP Academic Connection

As a member of your academic community, you have been granted complimentary access to two [US Pharmacopeia](#) publications: USP-NF and Food Chemicals Codex.

How to Get Started:

1. How do students and faculty access USP-NF and Food Chemical Codex?

All users are required to create a USP Access Point account to access publication subscriptions. Create a USP Access Point account using your university email by [clicking here](#).

2. The Access Point registration page is asking for “subscription key”. What do I enter?

Leave this blank. USP Academic Connection subscriptions do not require a subscription key.

3. I’m having trouble navigating Access Point, is there a tutorial?

Yes, [click here](#).

7. My account is locked, what do I do?

After 5 incorrect password entries, your account will be locked. Use the “Forgot password” link to reset your password. After a successful password reset, your account will be unlocked.

If you’re still unable to login after clearing your cache and resetting your password, please contact support@usp.org.
