

1.1. Landing Page

MY EMIS' Dashboard is the default landing page for EMIS. It is designed to help users customise and save favorites, allowing them to keep up with the latest updates on frequently used companies, industries, research, news and publications, providing easy access to favorites:

- Personal profile for each end user to save preference settings;
- Customisable widget content / selection / location / size;
- Recommended content based on your preference;
- Intuitive wizard and tour to help you get quickly acquainted with Dashboard features

The screenshot displays the EMIS Professional dashboard interface. At the top, the header includes the EMIS Professional logo, navigation tabs for MY EMIS, COMPANY ANALYSIS, INDUSTRY ANALYSIS, and COUNTRY ANALYSIS, and user settings for Country/Region (China, India +1), Content language (English, Chinese +1), and a welcome message for DIEGO. A search bar is also present.

The main section is titled "MY EMIS" and contains a "Dashboard" header with links to Dashboard Settings, Tour, and User Guide. The dashboard is organized into a grid of widgets:

- INDUSTRIES:** A list of industries with a "Selected" filter showing 165 items. It includes a "Maximize" button and a "Remove" button.
- COMPANY NEWS:** A list of news items with a "Selected" filter showing 165 items. It includes a "Maximize" button and a "Remove" button.
- SHORTCUTS:** A section for saved shortcuts, including "Sugar and Confectionary Product Manufacturing - HU", "Statistical Distribution Report - PL", and "Ipar - PL". It also has a "Default" button.
- WHAT'S NEW:** A section for new content releases, including "Monthly Releases" and "All Monthly Releases by Region".
- LATEST NEWS:** Four identical widgets showing the latest news for a selected country/region. Each widget includes a "Get More" button and a "Resize" button.
